

THE HEALTH AND SAFETY POLICY OF ST ANDREW'S CHURCH, MARKS TEY

To all Employees, Voluntary Helpers and contractors: the success of this policy will depend on your co-operation. It is therefore important that you read this document carefully and understand your role and responsibility for health and safety

Section A - General Statement of Policy

Our policy, so far as is reasonable, is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, casual labour, and voluntary helpers, and to provide such information, training and supervision as they need for this purpose.

We will also ensure, so far as is reasonably practicable, the health, safety and welfare of all members of the congregation, contractors, visitors and others who may visit the church, churchyard and any associated buildings.

The allocation of duties for safety matters and the arrangements which we will make to implement the policy are set out in Section B.

The policy will be kept up to date, particularly in the light of any changes to our buildings or activities. To ensure this, the policy and the way in which it has operated will be reviewed and any appropriate changes made.

In order to ensure that health and safety matters are kept under review, a periodic item on health and safety will be on the agenda for meetings of the Parochial Church Council and relevant sub committees, and employees and voluntary workers will be consulted in order to seek their views on health and safety matters.
